SANTÉ PUBLIQUE

Thank you for participating in the ‘Challenging Structural Substance Use Stigma’ workshop.

Now that you have learned about structural substance use stigma, let’s explore your level of confidence for each of the workshop’s learning objectives. Please rate your confidence for each of the statements below.

1. Your understanding of the various forms of stigma and factors that contribute to substance use related stigma

Not at all confident	Slightly confident	Somewhat confident	Quite confident	Extremely confident
-------------------------	-----------------------	-----------------------	--------------------	------------------------

2. Your understanding of why people with lived and living experience have an essential role in the healthcare system, including policy and program decisions

Not at all confident	Slightly confident	Somewhat confident	Quite confident	Extremely confident
-------------------------	-----------------------	-----------------------	--------------------	------------------------

3. Your ability to assess stigmatizing policies, programs, or practices and engage in advocacy to reduce stigma

Not at all confident	Slightly confident	Somewhat confident	Quite confident	Extremely confident
-------------------------	-----------------------	-----------------------	--------------------	------------------------

4. Tell us about a key takeaway you have after participating in this workshop.  
(e.g., something you learned, something you might act on, or do differently)
